STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

Complainant and/or Signing Officer designated below, declares under penalty of perjury, that he/she has reviewed police reports relating to the above-named Defendant and the allegations contained herein, and/or has spoken with peace officers having knowledge of the incident, and based upon that information, believes the following to be true and correct.

On or about September 27, 2017 at approximately 8:43am, agents from the Cannon River Drug and Violent Offender Task Force executed a no knock search warrant at 114 4th Ave NW in the City of Faribault. Agents had information that the resident, Jamie Lyn Kimball DOB: 01/04/1979 (hereinafter the defendant) is selling crack cocaine. Agents had information her boyfriend also sells crack cocaine.

Upon entry, agents came in contact with the defendant upstairs in her bedroom. During the search, agents found numerous items of evidence. A small baggie of cocaine was found in the defendant's purse. This tested positive for cocaine and weighed 3.07 grams. A wax water bong was found in the downstairs fireplace. A Suboxone strip was found in the defendant's upstairs bedroom in the dresser cabinet. A Lorazepam pill was found in the defendant's bedroom in the jewelry box. Crack cocaine was found in the defendant's bedroom in the dresser cabinet. The crack cocaine tested positive for cocaine and weighed 6.66 grams. A document with the defendant's name was found in the defendant's bedroom in the cabinet. A digital scale was found in the defendant's bedroom on top of the fireplace. An Excel energy document in the defendant's name was found in the downstairs living room. A digital scale was located on top of the fireplace in the downstairs living room. Cash in the amount of \$140.00 was found in the defendant's purse.

The defendant, in a post *Miranda* interview, made several admissions. The defendant admitted she did not know about the 6 grams of cocaine, but that she might have put that up in her room 2 weeks ago. The defendant admitted she uses crack cocaine. The defendant admitted she knew about the crack cocaine in her purse and stated she "grabbed" that the other day from the cities. The defendant admitted she paid a "good amount" for the crack cocaine found upstairs.

The crack cocaine was possessed by the defendant with the intent to sell. Agents reached that conclusion based on the amount possessed, which is well more than a user amount, information that the defendant is selling crack cocaine, and the multiple scales found in the residence.

Suboxone is a Schedule 3 controlled substance.

Lorazepam is a Schedule 4 controlled substance.

PLEASE TAKE NOTICE: Pursuant to Minn. Stat. 609.49., intentional failure to appear for duly scheduled court appearances may result in additional criminal charges, and in addition to any arrest warrant that may otherwise be issued by the Court.
