FOR IMMEDIATE RELEASE

### **The Rotary Club of Northfield Recognized at District Event**

**Prior Lake, Minn.** – On Friday, April 20, 2018, Rotarians from District 5960, which covers south east and east metro Minnesota and western Wisconsin, met at the District Conference of Clubs at Mystic Lake Center for the annual celebration. This year, there was more excitement in the air. The District introduced an awards program that recognized clubs for various categories and based on the size of the club – Large, Medium, or Small.

The Club was responsible for submitting examples of their efforts against a checklist for up to six categories – Club Service, Community Service, International Service, Public Image, Vocational Service, and Youth Service. The submissions were then judged by Rotarians from Clubs in a different size category to keep the voting objective. The Rotary Club of Northfield was in the large size club category.

After the tabulating, The Rotary Club of Northfield received three awards for Youth Service, Club Service and Public Image Service. Said Club President Jean Wakely, “I am so proud of the accomplishments our club has made locally and internationally. The quality of servant leadership in our Rotary Club is at the highest level. These awards are an acknowledgement within our Rotary District of the skills brought to bear in our community.”
