

## Did you know?

Minnesota fire departments responded last year to more than 250,000 emergency calls.

Minnesotans experienced \$229 million in fire losses in 2013.

Fire experts report that families may have as little as two to three minutes to escape a house fire.

## **STAY FIRE SAFE**

- Pay attention in the kitchen. If you leave the kitchen, turn off the stove.
- Keep anything combustible at least three feet from space heaters, wood stoves or fireplaces.
- Practice your family escape plan and make sure everyone knows where to meet following a fire.
- Have working smoke alarms in your home. Test them monthly; change the batteries twice a year.
- Keep candles away from combustibles and never leave candles unattended.
