Division Street Closure

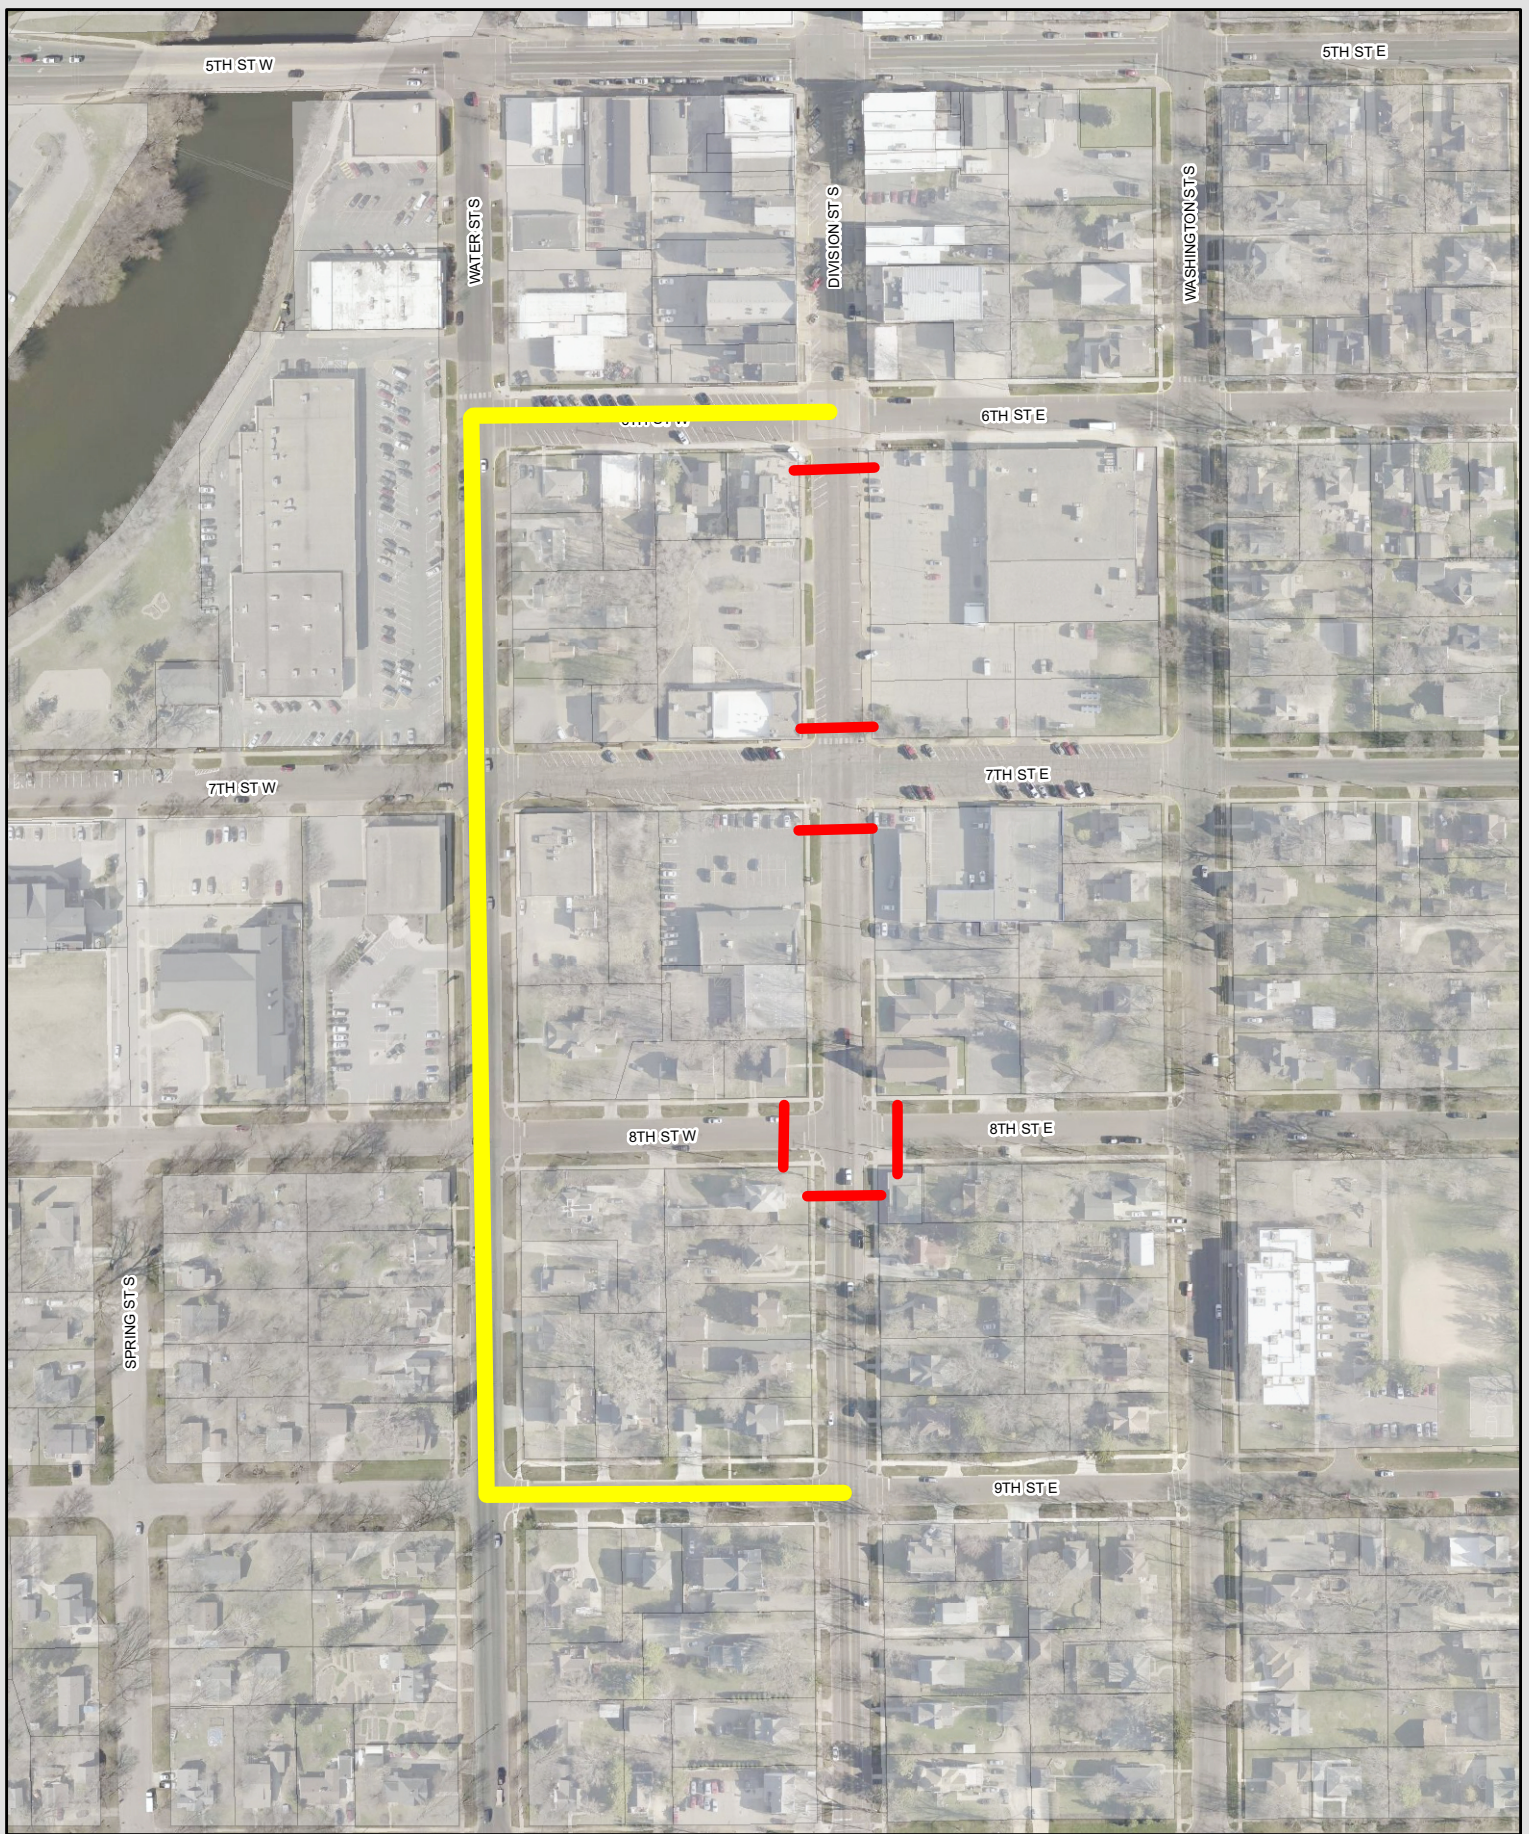

Northfield, MN (September 12, 2019) — Warranty work on the Division Street and Seventh Street Reconstruction Project is scheduled to begin on Monday, September 16, 2019. This work will require a closure of Division Street from Eighth Street to Sixth Street, including the Division Street and Eighth Street intersection in order to safely complete the repairs. However, the Division Street and Seventh Street intersection will remain open for Seventh Street east-west traffic. A detour will be put in place using Ninth Street, Water Street, and Sixth Street detouring traffic around the work area (see attached map).

The closure/detour is expected to be in place until September 27, 2019.

Swenke Ims Contracting LLC., of Kasson, Minnesota is the prime contractor for the \$3.72 million project.

The City of Northfield urges motorists to always drive with caution, slow down in work zones and never enter a road blocked with barriers or cones.
